

"Trust our family to look after your family"

RECRUITMENT OPPORTUNITY

Clinical Coder

Hours: 30 hrs per week

York Medical Group is a large, inner city practice, serving a population of 44,000 over 8 sites and consider themselves as a forward thinking, innovative and driven team of professionals meeting the demands of patient care. We have a diversified workforce made up of GPs, ANPs, UCPs, Nurses, Assistant Practitioners and Health Care Assistants.

We as a group are committed to providing a friendly, open and supportive environment where our staff feel valued, appreciated and comfortable with sharing ideas which could improve and diversity our services further.

We are looking for a motivated, friendly, experienced clinical coder to join our small team of coders in the move to becoming a paper-light environment, with the main responsibilities being to summarise and read code relevant information from patient's clinical records, hospital correspondence and other sources in the practice computer system, working strictly in accordance with the practice notes summarising and read code protocols.

Please see corresponding Job Description available to download from our web site.

For an informal chat please contact Polly Smith, Head of Nursing and Clinical Services or send your CV to:
