

"Trust our family to look after your family"

An exciting opportunity has arisen to join a dynamic and innovative large GP practice in the centre of the historic and lively city of York.

We are looking for a motivated **GP** to join our team initially for a Maternity Cover from March 2018 – July 2019 on a fixed term contract – although this may be extended or made permanent depending on the needs of the business. Ideally we are looking to cover 6 sessions per week, although for the right candidate this is negotiable.

The successful candidate will become part of a large team of GP's, Nurses, Assistant Practitioners and Health Care Assistants delivering the highest standards of patient care.

York Medical Group is a large, inner city practice, serving a population of 44,000 over 8 sites. The successful candidate may be required to work across the sites on occasions so a degree of flexibility is required, plus some extended hours and Saturdays will be expected, although these are shared amongst the group.

For an informal chat with Dr Becky Field, GP Partner please contact HR to arrange, alternatively please forward your CV to:
